

The Beatles – Octopus's Garden

E C#m A B

(E) I'd like to be (C#m) under the sea,
In an (A) Octopus's Garden in the (B) shade.
(E) He'd let us in (C#m) knows where we've been,
In his (A) Octopus's Garden in the (B) shade.
(C#m) I'd ask my friends to come and see,
(A) An Octopus's (B) Garden with me.

(E) I'd like to be (C#m) under the sea,
In an (A) Octopus's (B) Garden in the (E) shade.

(E) We would be warm (C#m) below the storm,
(A) In our little hideaway beneath the (B) waves.
(E) Resting our head (C#m) on the sea bed,
(A) In an Octopus's Garden near a (B) cave.
(C#m) We would sing and dance around,
(A) Because we know (B) we can't be found.

(E) I'd like to be (C#m) under the sea,
In an (A) Octopus's (B) Garden in the (E) shade.

(E) We would shout (C#m) and swim about,
(A) The coral that lies beneath the (B) waves.
(E) Oh, what joy for (C#m) every girl and boy,
(A) Knowing they're happy and they're (B) safe.
(C#m) We would be so happy, you and (A) me.
No one there to (B) tell us what to do.

(E) I'd like to be (C#m) under the sea
In an (A) Octopus's (B) Garden with (C#m) you,
In an (A) Octopus's (B) Garden with (C#m) you,
In an (A) Octopus's (B) Garden with (E) you. (B) (E)
